to the second, nothing, to the third, add half tablespoon of baking soda.

Explanation:

The color of the first glass should change to amber - characterized by weak tea,

while in the third to the dark brown - characteristic of very strong tea.

~~Photo of the RUF Back-pulver packet and a glass of beer. The packet is yellow and has the RUF logo and the text 'Back-pulver' on it. The glass is partially filled with a golden beer.~~
